Dear Mr. Newman,

Thank you very much for the copy of The Early Paper Money of America which you left with Carley Robison last week. It is an authoritative and beautifully produced volume which we are very pleased to have.

Very truly yours,

Jeffrey A. Douglas

I called you at the office and museum--you were not at either place.

Carlee Robison was not in this afternoon and will not be in Tuesday.

Her home phone number is: 309-342-6487. I called her home and no one answered. The people at the school didn't know if she would be home while she's away from the school or not.

I talked with Kay VanderMeulen: 309-343-0112 x383 or 392. She said the library is closed on Saturdays and Sundays but it's possible to bring your group of 6 on Mon., June 28 between 9 and 12:00 Noon.

I DID NOT MAKE A DEFINITE DATE, because I told Kay that you were referred to Carlee and you would want to talk with Carlee. However, if you can't reach Carlee, it's OK to call Kay, she said. Kay was not familiar with "parts of the art collection related to Mississippi Valley." She said she could look it up on the computer to see if there was such a subject, but she preferred not to do so unless I was going to make the appointment with her for sure.

(Tell Carlee that EPN spoke to Mr. Ortner and he referred me to her.)

I want to bring a group of 6 people (from St. L. and Chicago - we will be on a farm in Warren County, next door to the school) to see those parts of the art collection related to Mississippi Valley, on Mon., June 28, between 9 a.m. and 12:00 N, or Sun., June 27, or Sat., June 26.
